

Dear Investor,

Welcome Aboard!

Thank you for your confidence in us.

Please ask your Certified Public Accountant (CPA) / Licensed Attorney / Registered Broker Dealer / SEC-Registered Investment Advisor to issue you the document regarding Accredited Investor (the template is on the next page). We recommend you to check out the definition of Accredited Investor:

1. [Electronic Code of Federal Regulations](#)
2. [SEC press release](#)

You can also ask one of the third party vendors to qualify you as an Accredited Investor.

Appreciate your time!

Best Regards,

Team Pavaki
